DEPARTMENT OF INDUSTRIAL ENGINEERING
COLLEGE OF ENGINEERING

Date: __ Apr 2018	Computer Applications in IE-1 QUIZ#03

Time Allowed: 40 mins (Section A)   **Max Marks: 25**

Develop an app that displays your selfie. You must use embedded resources to display the selfie. You have to demonstrate the working app and upload it through designated form.
https://goo.gl/forms/DmZb2ghdmGDAVGPf1

First user adds ID in the combo box by entering it into textbox **TxtID** and clicking **Add to List** button.

Then user selects the number in the combo box **CmbSelfie.**

If the selected number is user ID, his selfie will be displayed.

Naming of app, form, resources, controls
Name of the app: **Selfie_IE322S18_ID**

Name of the Form: **frmSelfie**

Title of the form: Selfie of <<ID>>

Name of the picture: YourID.jpg for example,
1234567.jpg

Names of the control:

- BtnAdd
- TxtID
- CmbSelfie
- PicSelfie
- BtnExit
